

# POSH – Your Luxury Beauty Boutique

Some people may have thought they needed to make a trip into Manhattan to achieve a day of beauty and pampering . . . not so . . . POSH Beauty Boutique in lovely downtown Bronxville brings the elegance and style of a Manhattan spa right to your own neighborhood.

The POSH expert professional therapists help you unwind, relax and let your cares melt away.

Diana Rainsford, founder of POSH Beauty Boutique shared some of her thoughts, “When you walk through the doors at POSH, it’s like escaping the hectic world outside. Our team is ready to deliver exception results, ensuring you leave feeling and looking incredible.”

Rainsford was born and raised in Ireland where from an early age she developed a love for beauty and wellness.

Soon after her arrival in New York in 2004, she studied at the acclaimed Laura Norman Institute for Reflexology on Park Avenue in Manhattan. There, Rainsford excelled and became a master Reflexologist.

Following this Diana studied at the prestigious Atelier Estique Beauty School, also in Manhattan and this is where she received her NY esthetics license and became ITEC certified, which allows her to practice worldwide in her field of expertise.

As a renowned skincare expert Diana envisioned POSH Beauty Boutique as a local and sophisticated spa where her guests feel comfortable and beautiful from the inside out.

At POSH, customized facials, massage, reflexology, waxing, and professional make-up applications are among the expansive menu offerings.

A luxuriously appointed hydrotherapy room is located on the lower level, equipped with an eight head Vichy shower which provides the ultimate in spa pampering.

Each treatment begins and ends with the gentle chime of Tibetan chime bells.

POSH Beauty Boutique is located at 118 Pondfield Road, Bronxville. Call 914-361-1277 to book an appointment. Group bookings, special events and gift cards are available.
